Ad Text An Open Letter to Hillary Clinton:

Dear Mrs. Clinton,

We are trying not to be political, but the current presidential elections and the rise of hate against Muslims made us realize that it is time to stand and let our voices be heard.

We know that you defend American Muslims now in your presidential campaign, but did you support us before campaign?

We didn't forget who supported the war in Iraq, we are Muslims and Americans, so we know your support to invade Iraq in 2003 have caused hundreds of American soldiers to die hundreds of miles away from their homes, and also millions of Iraqi Muslims, including innocent men, women and children, to die in their homes, and for what?

Libya! You supported bombing and destroying the whole country just to kill Al-Gaddafi. You said in an interview: "We came, we saw, he died". Let's not forget about Benghazi, where you declined to increase the embassy security, and that caused the death of the U.S. Ambassador J. Christopher Stevens and U.S. Foreign Service Information Management Officer Sean Smith and CIA contractors Tyrone S. Woods and Glen Doherty and Ten others were also injured in the attacks.

You killed Saddam Hussein and Al-Gaddafi in Iraq and Lybia leaving the countries there in chaos, which led to the birth of ISIS, which is now a threat not only to the U.S. but the whole world!

You are supporting gun control, disarming the American citizens and at the same time selling weapons to groups in the Middle East to fight their leaders, creating on the short run terrorist groups as we saw in Libya, Iraq, Afghanistan and Syria.

8 years ago you were against refugees, but now you support them. 10 years ago you were against same sex marriage, but now you support it. You change your views very fast. You speak as a democrat and act as a republican. Sorry, but you can not be our representer, you can not be the president of the United States.

Sincerely,
United Muslims of America
